Creative Mobile Interiors Wins Business Scholarship

(COLUMBUS, OH) – Creative Mobile Interiors, a luxury motor coach modification company based in Grove City, Ohio, was recently selected one of four recipients of the

2005 Business Scholarship Program sponsored by Columbus Business First, a weekly news journal. Creative Mobile Interiors will receive six months of professional business coaching by Action International, a worldwide network of 600 professional coaches and business consultants.

At the announcement ceremony on May 12, 2005, Action International coaches Bruce Luecke and Clive Clifford said they picked CMI because of the passion, dedication, gratitude and integrity that they bring to their business. “It is a company that is ready to move to the next level and we know that we can help them do that,” said Clifford.

Over the next six months, Action International will use a mentoring approach to help CMI examine and improve its business systems, teams, time management and profitability. CMI President Owen Connaughton noted that the scholarship program offered a cost-effective way to improve skills and performance. “We’re looking forward to learning from Bruce and Clive how to serve our customers even better and prepare for our next phase of growth,” he said.

CMI was founded in 1999 and is headquartered in four plants totaling 21,000 square feet in Grove City, Ohio. The company specializes in converting motor coaches, vans, trailers and mini-coaches into luxury, commercial and specialty vehicles outfitted with custom top-of-the-line amenities and electronics. Since its founding, the company has doubled or nearly double in size every year. For more information, CMI can be reached at (614) 539-4600, or at www.creativemobileinteriors.com
