Tailgater Vehicle Brings Comforts of Home to the Game

(COLUMBUS) – Sure it’s possible to enjoy an OSU football game without a scarlet and gray 35-foot motor coach with a horn that plays the OSU fight song, but a “Buckeye Bus,” converted by Grove-City-based Creative Mobile Interiors, certainly takes team spirit to a whole new level.

Creative Mobile Interiors, (CMI), recently delivered a tailgater vehicle to Sean Dorston of Minster, Ohio. The vehicle, a school bus in a former life, was converted to seat 18 passengers on leather and ultraleather scarlet and gray upholstered recliners and sofas. There’s a 27-inch flatscreen television in the front of the unit and a 500-watt stereo, to make sure no one misses any sights or sounds of the action. The vehicle also includes a large 12-volt cooler, microwave, DVD/VCR/CD player and on-board lavatory. Brutus Buckeye graces the exterior, which naturally carries out the OSU-themed scheme.

“The word ‘fan’ comes from ‘fanatic,’ and that’s what we’ve found OSU fans to be when it comes to outfitting tailgater vehicles” said CMI President Owen Connaughton. “They go for big

screen TVs, serious stereo sound, amenities for hospitality and as much team paraphernalia as they can get their hands on.” Here’s hoping the Buckeye season provides as sweet a ride as this latest “Buckeye Bus.”

CMI was founded in 1999 and is headquartered in four plants totaling 21,000 square feet in Grove City, Ohio. The company specializes in converting motor coaches, vans, trailers and mini-coaches into luxury, commercial and specialty vehicles outfitted with custom top-of-the-line amenities and electronics. Since its founding, the company has doubled or nearly double in size every year. For more information, CMI can be reached at (614) 539-4600, or at www.creativemobileinteriors.com
